

Dr. Wallach's Deficiency Chart

Dr. Joel Wallach, author of "Dead Doctors Don't Lie", is famous for connecting over 900 different health problems to deficiencies of the 90 Essential Nutrients that the body does not make. During the past 40 years, Dr. Wallach has discovered that most health problems fall into 1 of 4 categories as illustrated below. Please complete the self-evaluation questionnaire on the next page to determine which category you have the most deficiencies.
